Dear RPSA Family Members:

Richfield has a fantastic School-Wide Title 1 program. This federally funded program provides monies for supplemental material to be purchased to enhance all students' academic experiences. This program also provides opportunities for extra academic support to be given to low achieving students. A child is recommended for Title 1 help based on a combination of district and state assessments and classroom performance.

Please contact the school for additional information regarding our Title 1 program. Please check our website or call the school for our scheduled Title 1 parent informational meeting.

Thank you,

Ruth McGinnis
Title 1 Director
